

What is the SA Work At Home Moms of Texas Organization?

Well, "We are all Moms from the San Antonio area who have our own businesses, and decided to band together to help, support, and share ideas with each other"

Here are some Frequently Asked Questions about the SA WAHM of Texas:

What does it cost and what will the membership go towards?

Currently there is a nominal cost of only \$40 per year. This is a minimal cost to cover website maintenance, advertising for the group, etc. This will cover your dues until the end of the current calendar year.

What benefits will each member receive?

Each member will be able to access to our message board (Yahoo Group) to share business ideas with the other members. Also each member will be able to attend monthly meetings with topics to benefit all home based businesses, member priority events, and most importantly a group of women who support and encourage every member to succeed! On top of that, each member will be listed on our website.

When and where are the monthly meetings?

We meet alternating 2nd Tuesday of the month at 7:00PM. At these meetings, we discuss the assigned topic, share ideas, and support each other. We also have a few showcase businesses at each meeting who are able to have a mini display to show their products.

Why should I attend meetings?

You will gain a wealth of knowledge from our group members. We share ideas and inform each other of events happening in and around the San Antonio area. We encourage (it is not mandatory by any means) you to "swap" parties with other group members in order to gain more contacts and customers.

How are the participants of Group Sponsored events chosen?

Should there be multiple consultants from one company, the most active group member will have the first right of refusal for the event. Should there be a tie, then the member who joined the group first would have that right. We encourage all group members to attend all monthly meetings. We also have quarterly Board of Director's meetings that are open to any and all group members, not just the Board of Directors.

What are the future plans for the group?

As our group has started growing, we have made many new plans to get out into the community with more selling events and community service projects. We look forward to doing 1-2 events or projects each quarter. In 2004 we started a monthly newsletter for all members. We are continually searching for ways to bring more media light onto our group and its members!

How do I sign up?

Just send your registration form to our Director: Eileen Berg - SA WAHM Director. 8451 Timber Mill, San Antonio TX 78250, with a check made payable to San Antonio Work At Home Moms of Texas OR attend the next monthly meeting to register there. We will also immediately add you to our Yahoo Group message board to start sharing great business ideas!

For information on the next monthly meeting, please contact me! I would love to speak with you about our awesome group and have you join us!

I hope this answered a lot of your questions, and I hope you choose to become a 2007 member of the San Antonio Work At Home Moms of Texas Group. Good luck in business, and please call if you have any questions. Thank you.
